Wagner Beratende Ingenieure - Am Einlaß 3, 80469 München
ACI’s Clean Energy Finance Europe will be taking place on 21st & 22nd March 2018 in Frankfurt, Germany.

Once again, the conference will look at the global and European clean energy finance markets, as well the main drivers amongst end-products.

The event will also take a in-depth look into trends & innovation and new technologies development.

The two day event will bring together key industry stakeholders from the renewable energy industry, energy producers, developers, solution and technology providers, investors and main associations.

Join us in Frankfurt to exchange your point of view with your peers and engage in excellent networking opportunities.

**Commercial Opportunities**

With leading companies and organisations attending and speaking at our event, we have the perfect vehicle to provide outstanding exposure to a senior level audience.

For further details, please contact

Sam Cormack
+44(0) 20 3141 0626/samc@acieu.net

**Who will attend?**

ACI’s Clean Energy Finance 2018 conference will bring together senior executive from:

Private equity Investors/Commercial banks/Merchant banks/Capital & Venture capital funds/Infrastructure funds/Development banks/Private funds & Insurance companies/Senior economists/Technical Energy Experts

**Speaking Opportunities**

If you would like to be considered as a speaker, for a 30-45min presentation, at the event please submit an abstract for consideration:

Mikhail Kryukov
+44 20 31 41 0649/mkryukov@acieu.net

**Key Topics:**

- Revision of legislation in progress
- Energy Efficiency Project
- New challenges and market responses
- Unlocking renewable energy investment
- Focusing on M&A activity
- Financing Renewable Energy Storage
- Scaling up green bond markets for sustainable development
- Repowering existing projects using up to date technology
- Financing sustainable small & large-scale projects
- Reason for “Global Clean Energy Investment Falls”

**Registration is simple**

Internet of Things (IoT), as the Driving Force safeguarding Loan Exposures of Renewable Energy Portfolios
• Why do banks need to manage their Renewable Energy related Loan Exposures much tighter in the future?
• How can Banks implement an efficient Risk Assessment process based on full Transparency, Speed and smart Data Analytics?
• How can the Internet of Things (IoT) help to minimize lending risks and to maximize theCash Flows available for Debt Services?

Lars Hülsmann
CCO
Kaiserwetter Energy

12:10  CONFERENCE PRESENTATION
Financing Sustainable Small & Large-Scale Projects
• Hexagon multfloor windfarms
• Hexagon windfarm units deliver baseload power in the range of nuclear. They represent the 3rd Generation in windpower.
• The evolutionary step in windpower is to achieve more reliability in significantly larger units customized for utilities on the basis of a ‘standardized catalogue product’.

Philipp Wagner
CEO
Wagner Engineers

10:10  Panel Q&A

10:25  MORNING REFRESHMENTS

LEADERS IN CONFERENCE PLANNING & PRODUCTION
www.wplgroup.com/aci
3rd Clean Energy Finance Europe 2018

CONFEREECE PRESENTATION
Power-to-X: Chances and Risks for Private Financing

- The mainstream in investments is power utilization for heat, gas or liquids production.
- bse Engineering presents a technical overview of Power-to-X technologies with economical conclusions. Addressees are shareholder and financiers of power station assets with the aim to improve the
- - storability
- - value
- - carbon crediting of electricity

Christian Schweitzer
Managing Director
bse Engineering Leipzig GmbH

PANEL DISCUSSION
Reasons for "Global Clean Energy Investment Falls"

- Analysing the recent fall down of investments in the renewable energy market
- The role of China and Japan market in relation to the recent breakdown
- What can the renewable energy sector learn from this?

Abid Kazim
UK Managing Director
Next Energy Capital

Christopher Mansfield
Partner
DIF

Ruben Bach
Partner
SVS Capital Partners

3rd Clean Energy Finance Europe 2018
Frankfurt, Germany

Registration Is Simple
If you would like to register for this event or wish to find out more information, you can contact Rohan Baryah using any of the following methods:

+48 (0)61 646 7022
rbaryah@acieu.net
http://www.acius.net
ACI Europe, 10 Gough Square, London, EC4A 3DE, UK

Terms & Conditions
Payment
Payment must be received within five business days of returning the signed contract. If you do not receive a VAT receipt within two weeks prior to the event, please contact the Conference Coordinator at ACI Europe Ltd.

Discounts are available for multiple/group bookings. Please call +48 (0)61 646 7022 for more information.

Cancellations
Substitutions are welcome up to 24 hours prior to the event. Any cancellation received less than 3 weeks prior to the start of the event will be deemed to be a breach of this contract by client, and accordingly, no credits will be given. Cancellations must be received in writing by mail or fax three weeks before the conference. Thereafter the full conference fee is payable. If for any reason ACI Europe Ltd decides to amend, cancel or postpone the event, the conference fee will not be refunded. Furthermore, ACI Europe Ltd will not be responsible for covering airfare, hotel or other costs incurred by registrants. In the event that ACI Europe Ltd cancel or postpone the event, ACI Europe Ltd reserves the right to transfer this booking to another conference to be held in the following twelve months, or to provide a credit of an equivalent amount to another conference within the following twelve months. The construction, validity and performance of this agreement shall be governed in all respects by the laws of England to the exclusive jurisdiction of whose courts the Parties hereby agree to submit.

Accommodation
The cost of accommodation is not included in the event fee. Preferential rates will be arranged with or near the event venue, and all confirmed delegates will be given details of how to book accommodation at this rate in due course.

Documentation Packet Available
We are selling the Biopolymers Europe 2018 papers at just £395 (+£25 P&P). Simply tick the box on the booking form, send it with payment and your copy will be on its way to you after the meeting.

About ACI
ACI, a UK owned company, has been running successful conferences in the USA since 1999. Headquartered in Chicago with offices all around the States, ACI opened its European head office at the end of 2005 and has expanded rapidly, launching a series of events in key industries including maritime, energy, oil & gas, cosmetics, chemicals & media.
