

2nd Connected Cars Summit

27 -28 NOVEMBER 2019 , LONDON, UK

KEY TOPICS

- Placing the Customer in the Driver's Seat: a Customer Oriented Delivery of Connected Services
- From Silicon to Mobility: Disruption in Classic Automotive Electronics
- In Depth Outlook of GDPR (2018) & it's Impact into the Connected Car Industry
- In Search for the Best Infrastructure-Related Solutions
- Exploring the Relationship of the Connected Vehicle and IoT
- Making the Most of the Smart Mobility Advancements
- Exploring the Latest Autonomous Vehicle Innovations
- Connected & Electric Vehicles
- Analysing Telematics Advantages for Insurance Providers

2019 EVENT PARTNERS:

For commercial opportunities please contact:
Hubert Sosnowski at +48 61 646 7059 or hubert@acieu.net

ACI's Connected Cars Summit will bring together key industry stakeholders from pioneer automotive OEMs, Tier 1 suppliers and solution providers from telecommunications, infotainment, telematics, insurance and technology industries to actively discuss the common challenges and opportunities that are arising within the connected cars industry.

Join us in London to explore the upcoming opportunities in the connected car ecosystem, exchange your views with leading experts in the field and engage in excellent networking opportunities.

Topics for Discussion:

- Placing the customer in the driver's seat: A customer oriented delivery of connected services
- Analysing key challenges & opportunities in advanced driver assistance systems
- In depth outlook into the GDPR (2018) & its impact into the connected car industry
- In search for the best infrastructure-related solutions
- Exploring relationships between connected cars and the Internet of Things
- Making the most of the smart mobility advancements
- Exploring the latest autonomous vehicle innovations
- Evaluating key developments on infotainment systems
- Analysing telematics advantages for insurance providers

Join us in London, the city host for the 2nd edition of
Connected Cars Summit 2019!

Who Should Attend:

Experts from Auto Manufacturers, Connected Car Platform Specialists, App and Software Developers, Big Data & Analytics Specialists, Automotive & Technological Innovation, Consultants, Regulatory and Policy Officers, Connected car innovators, Infotainment developers, Automotive safety experts, Telematics industry individuals, Technology developers, Regulation Authorities & Connected Infrastructure Individuals,

Registration Is Simple:

If you would like to register for this event or wish to find out more information, please contact:

Neha Desadla

Tel: +91 (20) 485 23 143 or

Email: ndesadla@acieu.net

- Using connectivity to prioritize customer behaviour as the most effective way to understand people's needs for mobility
- Delivering connectivity in a fragmented market: Setting the standards to find a common ground
- New business models for services: What can be learned from other connected industries?
- Aiming for more personal approach towards customers: Making the most of connected services

Peter Virk
Director of Connected Car &
Future Technology
Jaguar Land Rover

Ian Plummer
Manufacturer and Agency Director
Auto trader

Elliot Messenger
Connected Car Digital Integration
Manager
Bentley Motors

Robert Minton
Associate Vice President, Fleet
Management
GEOTAB

10:05 **MORNING REFRESHMENTS**

10:35

SESSION ONE

In Depth Outlook Into the General Data Protection Regulation (GDPR) (2018) & It's Impact Into The Connected Car Industry

- Addressing the current legal landscape for the connected vehicle services
- Privacy by design: The fundamental aspect of data protection and a key concept in GDPR
- Ownership and handling of the connected car data: Solutions for aligning connected services
- How blockchain is disrupting transportation and logistics? Looking at opportunities for both transportation and logistics

Lawrence Freeman
Senior Counsel
Bird & Bird

Amie Taal
CEO & Founder
Stratagem Tech Solutions

11:50

CONFERENCE PRESENTATION

From Silicon To Mobility: Disruption In Classic Automotive electronics

- Consolidation of automotive electronics functionality
- Advent of sensors fusion in autonomous driving application
- Growing importance of software

Tawhid Khan
Consulting Director
IHS Markit

12:35

LUNCH

13:35

CONFERENCE PRESENTATION

Digging For The New Oil: Unlocking Value For The OEMs And Their Customers With In-Wheel Motor Data

- Data in the future automotive industry
- In-wheel motors and their role in a connected car
- Collaborating across the ecosystem to deliver a better customer experience

Chris Hilton
CTO
Protean Electric

13:55

CONFERENCE PRESENTATION

In Search For Best Infrastructure-related Solutions

- Digital roads: Developing a supporting infrastructure for connected vehicles
- In depth analysis of the 5G network and its possible impact on the automobile industry
- Impact analysis of Cooperative Intelligent Transport Systems (C-ITS) communication

Denis Naberezhnykh
Technical Director - Sustainable Transport
Ricardo Energy & Environment

14:40

AFTERNOON REFRESHMENTS

15:10

SESSION TWO

Exploring Relationships Between Connected Cars And The Internet Of Things

- Big data analysis: How a smart ecosystem leads to better services for the customer & more business opportunities for the industry
- From Infotainment to automation: A forecast on the cloud computing potential for the automotive business
- Data monetization: A new world of opportunities for the auto industry

Ric Vicari
Head of Telematics Services Sales, Northern EMEA
Vodafone Automotive

Jyoti Bhasin
Head of IoT & C-VX Eco-system
Huawei

Innovation in the Fast Lane: Accelerating Connected & Autonomous Development

- Background on how and why automakers are adopting open source software to decrease development times
- An overview of the open source Automotive Grade Linux (AGL) project and how it is reducing industry fragmentation
- A look ahead at the roadmap for AGL and how to get involved

Dan Cauchy
General Manager, Automotive
The Linux Foundation

17:00

END OF DAY ONE

DAY 2

Thursday 28th November 2019

08:30

REGISTRATION & COFFEE

09:00

CHAIRMAN'S OPENING REMARKS

Paul Fielden
Global Market Sector Leader - Automotive
Arcadis NV

09:05

SESSION THREE

Making The Most Of The Smart Mobility Advancements

- Evaluating the potential of the smart vehicle: Making life easier, convenient and quieter for the customer
- Car manufacturers in a car sharing market: An analysis the industry place within the new business models and opportunities in smart mobility

Catherine Bowen
Senior Policy Advisor
BVRLA

Tim Smith
Global Auto & Mobility Lead
Ustwo

10:20

MORNING REFRESHMENTS

Commercial Opportunities:

With leading companies and organizations from the connected car industry attending and speaking at the event, we have the perfect vehicle to provide outstanding exposure to a senior level audience. There are various commercial packages available.

For further details, please contact:

Hubert Sosnowski

Tel: +48 61 646 7059 or

Email: hubert@acieu.net

10:50

SESSION FOUR

Exploring The Latest Autonomous Vehicle Innovations

- An overview of the positive disruptive potential of automated cars: Safer rides, better traffic management and business opportunities
- Making automated vehicles viable: Best ways to improve deep machine learning

Stefan Nürnberger
Faculty & Research Group Leader
CISPA Helmholtz-Zentrum

Iwan Parry
Market Development Lead - New Mobility
Transport Research Laboratory

Michael Steinberg
Head of Strategy, Programme and Communications
Centre for Connected and Autonomous Vehicles

12:40

LUNCH

13:40

CONFERENCE PRESENTATION

Analysing Telematics Advantages For Insurance Providers

- An overview of increasingly connected car market & its meaning for the insurance providers
- Telematics Implementations in the insurance industry: Managing the data to personalise insurance

Ed Rochfort
Managing Director
Carrot Insurance

14:25

CONFERENCE PRESENTATION

Connected Electric Vehicles

- Current and future challenges
- Connectivity standards & cybersecurity
- Data Landscape, use of data
- Business models

Reza Akhavan
Senior Technologist
Connected Places Catapult

15:10

CHAIRMAN'S CLOSING REMARKS

Paul Fielden
Global Market Sector Leader -
Automotive
Arcadis NV

15:15

END OF CONFERENCE & AFTERNOON REFRESHMENTS

Registration Is Simple

If you would like to register for this event or wish to find out more information, you can contact **Neha Desadla** using any of the following methods:

 +91 (20) 48 523 143

 ndesadla@aciev.net

 <http://www.acius.net>

 **Postal Address:**
10 Gough Square, London, EC4A 3DE, UK

Pricing

Conference (Includes Documentation Packet) 27th–28th of November 2019	£1,695.00
Documentation Packet Only	£470.00

Please Note.

Members and customers of all supporting organizations are entitled to a discount off their conference package.

For more information please call +91 (20) 48 523 143

Documentation Packet Available

We are selling the Connected Car Summit papers at just £430 (+£40 P&P). Simply tick the box on the booking form, send it with payment and your copy will be on its way to you after the meeting. This important manual will be a source of invaluable reference for the future.

About ACI

ACI, a UK owned company, have been running successful conferences for the last 15 years in the USA. Headquartered in Chicago with offices all around the States, they run forums in varied fields and are market leaders in healthcare business conferences. Opening their European head office at the end of 2005, they have expanded rapidly and are launching a series of events covering the maritime, energy, oil & gas, cosmetics and media industries

Terms & Conditions

Payment

Payment must be received within five business days of returning the signed contract. After receiving payment a VAT receipt will be issued. If you do not receive a letter outlining details two weeks prior to the event, please contact the Conference Coordinator at ACI Europe Ltd.

Discounts are available for multiple/group bookings. Please call +91 (20) 48 523 143 for more information.

Cancellations

Substitutions are welcome up to 24 hours prior to the event. Cancellations must be received in writing no less than 3 weeks prior to the start of the conference; a full credit voucher towards a future ACI conference will be issued. Any cancellation received less than 3 weeks prior to the start of the event shall be deemed to be a breach of this contract by client, and accordingly, no credits will be given. Cancellations must be received in writing by mail or fax three weeks before the conference. Thereafter the full conference fee is payable. If for any reason ACI Europe Ltd decides to amend, cancel or postpone this conference, the conference fee will not be refunded. Furthermore, ACI Europe Ltd will not be responsible for covering airfare, hotel or other costs incurred by registrants. In the event that ACI Europe Ltd cancel or postpone the event, ACI Europe Ltd reserves the right to transfer this booking to another conference to be held in the following twelve months, or to provide a credit of an equivalent amount to another conference within the following twelve months. The construction, validity and performance of this agreement shall be governed in all respects by the laws of England to the exclusive jurisdiction of whose courts the Parties hereby agree to submit.

Accommodation

The cost of accommodation is not included in the event fee. Preferential rates will be arranged with or near the event venue, and all confirmed delegates will be given details of how to book accommodation at this rate in due course.
