

Key Topics

Evaluating Further Developments Of Key Policies Impacting On Oleofuels Supply Chain

Exploring Oleofuels Industry` Response To The Renewable Energy Directive II (RED II), Annex IXa

In Depth Analysis of Hydrotreated Vegetable Oil (HVO) Production Status & Future Development Plans

Biofuels As A Part Of Further Decarbonisation Strategy: Evaluating Future Applications In Heavy Duty Vehicles & Shipping Industry

Assessing The Future Evolvments Of Second Generation Biofuels In Europe

Analysing Growing Global Oleofuels Markets

5 - 6 June
Venice, Italy

OLEOFUELS 2019

Exclusive Site Visit

During the afternoon of Tuesday 4th June a limited number of conference attendees will receive a unique opportunity to visit ENI's Venice Biorefinery.

There is no extra charge to attend the site visit, but spaces are limited and allocated on a first come - first served basis. Please register your attendance when booking for the conference.

Oleofuels 2019

Venice, Italy

05th - 06th

June
2019

Already on its 12th edition of a very successful series, Oleofuels 2019 will bring together senior representatives from the biodiesel, renewable diesel and HVO industries to discuss the latest market advancements, developments & business opportunities. The event will cover current challenges and issues faced by the industry and provide an in depth outlook and overview of today's European & global Oleofuels markets. Policies and regulations, updates on feedstock availability & supplies, followed by cutting - edge technologies helping to meet new emerging transport decarbonisation trends, will provide a basis for an informative and balanced discussion for participants from the across entire supply chain.

Join us in beautiful Venice, the host city for 2019!

Key Topics for Discussion:

- Evaluating Further Developments Of Key Policies Impacting On Oleofuels Supply Chain
- Exploring Oleofuels Industry` Response To The Renewable Energy Directive II (RED II), Annex IXa
- In Depth Analysis` of Hydrotreated Vegetable Oil (HVO) Production Status & Future Development Plans
- Making The Most of Processing & Blending Advancements: Evaluating Most Efficient Technologies To Meet European Transport Decarbonisation Requirements
- Assessing The Future Evolutions Of Second Generation Biofuels In Europe
- In Depth Outlook Into The European Oleofuels Market & Future Feedstocks Supplies
- Biofuels As A Part Of Further Decarbonisation Strategy: Evaluating Future Applications In Heavy Duty Vehicles & Shipping Industry
- Analysing Growing Global Oleofuels Markets
- Examining The Impact Of Electro - Mobility Expansion On The Future Of Oleofuels` Demand

Registration is simple:

If you would like to register for this event or wish to find out more information, you can contact *Cheryl Williams*:

Tel: +44 (0) 203 141 0623

Email: cwilliams@acieu.net

EXCLUSIVE SITE VISIT:

During the afternoon of Tuesday 4th June 2019, a limited number of conference attendees will receive a unique opportunity to visit **ENI's, VENICE Biorefinery**

There is no extra charge to attend the site visit, but spaces are limited and allocated on a first-served basis. Please register your attendance when booking for the conference.

Eni's biorefinery project in Venice is the world's first example of conversion of a conventional refinery into a biorefinery, able to transform organic raw materials into high-quality biofuels. The plant produces green diesel, green naphtha, LPG and potentially also jet fuel. It is currently mainly fed by vegetable oil. The plant can also process animal fats, non-edible oils and residues coming from plastic production.

Sponsorship Opportunities:

With leading companies and organisations from the Oleofuels industry attending and speaking at the event, we have the perfect vehicle to provide outstanding exposure to a senior level audience.

There are various sponsorship packages available, including sponsorship of a cocktail reception on the first evening of the event and sponsorship of a networking lunch. For further details, please contact:

Hubert Sosnowski

Tel: + 48 616 46 7059

Email: hubert@acieu.net

Who should attend:

Senior Oleofuels producing companies (first & advanced generation), feedstock producers & suppliers, regulatory and policy officers, industry analysts and logistics experts, researchers, fuel additive suppliers, environmental organisations, key industry` associations.

Speaking Opportunities:

If you would like to be considered as a speaker at the event for a 30 - 40 mins presentation, please submit an abstract for consideration to:

Sarah Ajawin

Tel: + 44 203 141 0643

Email: sajawin@acieu.net

DAY 1

Wednesday 5th June 2019

08:00 **REGISTRATION & COFFEE**

09:00

CHAIRMAN'S OPENING REMARKS
Giacomo Rispoli
 Executive VP Portfolio Management & Licencing
ENI

09:15 **SESSION ONE**

Evaluating Further Developments Of Key Policies Impacting On Oleofuels Supply Chain

09:15 **SESSION PRESENTATION**

Analysing future developments of Renewable Energy Directive post 2020 - Examples of its impact on individual states strategy, demand & supply
New alternatives for biofuels feedstock

Teemu Lindberg
 Director Technology Refining
UPM

09:45 **SESSION PRESENTATION**

European strategy towards the greenhouse gases (GHG) calculation methods for 2021-2030: In depth outlook into the double counting requirements & waste raw material listings

Timo Huhtisaari
 Sustainability Director
North European Oil Trade Oy

10:15 **SESSION PRESENTATION**

Examining the current status & future trends of biodiesel anti-dumping policies & its impact on European markets

Kyriakos Maniatis
 Principal Administrator
European Commission

10:45 **SESSION Q&A**

11:05 **MORNING REFRESHMENTS**

11:35 **PANEL DISCUSSION**

Exploring Oleofuels Industry` Response To The Renewable Energy Directive II (RED II), Annex IXa & Ixb

- Best strategies to deliver the feedstocks in the light of RED II, annex IXa
- Feedstocks availability in the light of REDII, annex IXa
- High indirect land use change risk food or feed crop-based biofuels: Understanding the European Commissions Delegated Act

Bruce Ross
 Managing Director
Ross Gordon Consultants SPRL

Matteo Prussi
 Researcher

European Commission Joint Research Centre

12:20 **SESSION TWO**

In Depth Analysis of Hydrotreated Vegetable Oil (HVO) Production Status & Future Development Plans

12:20 **SESSION PRESENTATION**

Renewable Diesel - Current Status and Outlook for Future Developments

- Key success factors for renewable diesel
- Past and future drivers for renewable diesel demand
- Status of the industry and outlook for future developments

Anselm Eisentraut
 Head Of Market Intelligence, Strategy
NESTE

12:50 **SESSION PRESENTATION**

Eni case study on Bio-Refinery and high quality biofuel production

- Converting existing fossil refinery into a BioRefinery, for production of very high quality biodiesel (GreenDiesel); counteracting the structural fossil Refinery overcapacity, and saving employment
- Description of Eni-UOP Ecofining™ Technology. Mentioning Eni R&D in progress for non-conventional and advanced feedstocks
- Last Updating on Venice and Gela conversion projects

Massimo Trani
 Vice President For Proprietary Technology Licencing
ENI

13:20 **SESSION PRESENTATION**

Mikala Grubb
 Senior Business Development Manager
Haldor Topsoe A/S

13:40 **LUNCH**

14:40 **SESSION THREE**

Making The Most of Processing & Blending Advancements: Evaluating Most Efficient Technologies To Meet European Transport Decarbonisation Requirements

- Processing improvements in oleofuels production: Integrating feedstock diversification & reduction of GHG emissions
- An outlook into the newest blending opportunities & formulas in Europe: In search for the best solutions to achieve the RED II policy targets
- Exploring best technology advancements to respond to the RED II requirements & transport decarbonisation targets

14:40 **Session Presentation: The disconnection between physical specification and RED2 sustainability requirements : and how will the market arbitrage the imbalance?**

- How can we further decarbonize transport while keeping biofuels technical blending limitation ? how will the market manage this challenge?

Quentin Payet
EU Biodiesel Merchandizing
Manager
CARGILL

15:10 **CONFERENCE PRESENTATION**

John McNichol
Market Development Manager
PQ Corporation

15:30 **CONFERENCE PRESENTATION**

Multiple pathways for a low carbon mobility in EU: Concawe's work exploring the role of low carbon fuels in road transport

Marta Yugo
Economics And Modelling
Science Executive
CONCAWE

16:00 **SESSION Q&A**

16:20 **AFTERNOON REFRESHMENTS**

16:50 **CONFERENCE PRESENTATION**

Market analysis of waste based biofuels: Disusing raw materials' developments & availability in Europe, 2021 – 2030, for waste based biofuels

Detlef Evers
Managing Director
MVAK

17:20 **CONFERENCE PRESENTATION**

Norbert Schmitz
Managing Director
ISCC System GmbH

17:40 **CLOSE OF DAY ONE**

DAY 2
Thursday 6th June 2019

08:30 **REGISTRATION & COFFEE**

09:00 **CHAIRMAN'S OPENING REMARKS**

Giacomo Rispoli
Executive VP Portfolio Management & Licencing
ENI

09:05 **CONFERENCE PRESENTATION**

Larissa Perotta
Technology Team Manager – Bio
Technology Group
AXENS

09:25 **SESSION FIVE**

In Depth Outlook Into The European Oleofuels Market & Future Feedstocks Supplies

09:25 **SESSION PRESENTATION**

Analysing feedstock supplies situation at the EU level: Finding best strategy to obtain raw materials at competitive prices

- What is a competitive price (angle of vision)?
- Local vs. International supply
- Feedstock quality (control mechanisms)

Ralf Schmidt
Managing Director
Bioeton Deutschland GmbH

09:55 **SESSION PRESENTATION**

Outlook for HVO demand in road transportation to 2050

Venice, Italy

	<p>Outlook for HVO demand in road transportation to 2050</p> <ul style="list-style-type: none"> ▪ HVO demand projection based on feedstock availability and production <div data-bbox="199 324 686 459">  <p>Kristine Bitnere Market Analyst, Europe & CIS SGS Germany GmbH</p> </div>	<p>12:30 CONFERENCE PRESENTATION</p> <div data-bbox="965 224 1476 347">  <p>Matteo Prussi Researcher European Commission Joint Research Centre</p> </div>

<p>11:00</p>	<p>MORNING REFRESHMENTS</p>	<p>13:40 LUNCH</p>
<p>11:30</p>	<p>SESSION SIX</p> <p>Biofuels As A Part Of Further Decarbonisation Strategy: Evaluating Future Applications In Heavy Duty Vehicles & Shipping Industry</p>	<p>14:40 CONFERENCE PRESENTATION</p> <div data-bbox="965 739 1476 884">  <p>Kristell Guizouarn Chair European Biodiesel Board</p> </div>
<p>11:30</p>	<p>CONFERENCE PRESENTATION</p> <p>Heavy Duty Vehicles, alongside aviation and marine, are a huge challenge for the EU and national governments when it comes to decarbonisation. High blends of biodiesel is just one of the options for truck and bus operators.</p> <ul style="list-style-type: none"> ▪ Is it a viable option for government policy? How much can it do? ▪ Where does it stand alongside the alternatives of gas, biomethane, hydrogen and others? ▪ What are the pros and cons? Does it need extra incentives and if so, what? <div data-bbox="199 1646 686 1780">  <p>Dickon Posnett Director Of Corporate Affairs Argent Energy</p> </div>	<p>15:10 SESSION SEVEN</p> <p>Analysing Growing Global Oleofuels Markets</p> <ul style="list-style-type: none"> ▪ Join Session Seven to hear in depth updates on new emerging trends in the global oleofuels markets, such as US, India, China, discussing production capacities, supply & demand trends, pricing, feedstocks sourcing, trading activities & international regulations impacting on the production processes & the supply chain <div data-bbox="965 1288 1476 1388">  <p>Bharadwaj K. Venkata Executive Director World Bioenergy Association</p> </div>
<p>12:00</p>	<p>CONFERENCE PRESENTATION</p> <div data-bbox="199 1870 686 1960">  <p>Lars Lind Managing Director Perstorp BioProducts AB</p> </div>	<p>15:45 CONFERENCE PRESENTATION</p> <div data-bbox="965 1478 1476 1579">  <p>Cornelius Claeys Analyst, Fuel & Transport Stratas Advisors, A Hart Energy Company</p> </div>

Venice, Italy

16:05

CONFERENCE PRESENTATION

Examining The Impact Of Electro - Mobility Expansion On The Future Of Oleofuels` Demand

- An outlook into the future of electric vehicles market growth & its possible impact on the olefoels business flow
- In search for best industry`s response towards the transport electrification course

Giacomo Rispoli
Executive VP Portfolio Management & Licencing
ENI

16:35

SESSION Q&A & CHAIRMAN'S CLOSING REMARKS

16:45

END OF CONFERENCE & AFTERNOON REFRESHMENTS

Registration Is Simple

If you would like to register for this event or wish to find out more information, you can contact Cheryl Williams using any of the following methods:

 +44 (0) 203 141 0623

 cwilliams@acieu.net

 <http://www.acius.net>

Registration Is Simple

Conference (Includes access to all documentation)

05th & 06th June, 2019

£1,695.00

Documentation Packet Only

£470.00

Please Note.

Members and customers of all supporting organisations are entitled to a discount off their conference package.

For more information please call +44 (0) 203 141 0623

Documentation Packet Available

We are selling the Oleofuels 2019 papers at just £445 (+ £25 P&P). Simply tick the box on the booking form, send it with payment and your copy will be on its way to you after the meeting. This important manual will be a source of invaluable reference for the future.

Terms & Conditions

Payment

Payment must be received within five business days of returning the signed contract. After receiving payment a VAT receipt will be issued. If you do not receive a letter outlining details two weeks prior to the event, please contact the Conference Coordinator at ACI Europe Ltd.

Discounts are available for multiple/group bookings. Please call +44 (0) 20 3141 0623 for email cwilliams@acieu.net for more information.

Cancellations

Substitutions are welcome up to 24 hours prior to the event. Cancellations must be received in writing no less than 3 weeks prior to the start of the conference; a full credit voucher towards a future ACI conference will be issued. Any cancellation received less than 3 weeks prior to the start of the event shall be deemed to be a breach of this contract by client, and accordingly, no credits will be given. Cancellations must be received in writing by mail or fax three weeks before the conference. Thereafter the full conference fee is payable. If for any reason ACI Europe Ltd decides to amend, cancel or postpone this conference, the conference fee will not be refunded. Furthermore, ACI Europe Ltd will not be responsible for covering airfare, hotel or other costs incurred by registrants. In the event that ACI Europe Ltd cancel or postpone the event, ACI Europe Ltd reserves the right to transfer this booking to another conference to be held in the following twelve months, or to provide a credit of an equivalent amount to another conference within the following twelve months. The construction, validity and performance of this agreement shall be governed in all respects by the laws of England to the exclusive jurisdiction of whose courts the Parties hereby agree to submit.

Venue Details

NH Laguna Palace -
Viale Ancona 2, 30172,
Mestre, Italy.
