ACI

Following the success of previous editions, **ACI** can proudly announce that the **10th Maritime Salvage & Casualty Response** will be held in London on the 11th & 12th September 2019.

The focus of the program will be on the issues of greatest significance to risk managers and other insurance buyers, but it will also be highly relevant and important to casualty professionals throughout the insurance and reinsurance markets. This year we will be taking an in-depth look into two new themes: **preventive actions to reduce fires on container ships** and specifically **on the offshore oil & gas decommissioning**.

Join us in London for a **highly interactive & informative conference**, whilst enjoying the **networking opportunities with your peers**.

Confirmed Topics for Discussion

- Consolidated Salvage
- Salvage Operations & Firefighting
- Successfully Responding to Challenges of Burning Ships
- Salvage of LNG Vessels
- Decommissioning & Wreck Removal
- Container Loss & Major Salvage Operations
- Examining LOF Future: LOF2 & LOF "light"
- Legislative Background & the Latest Updates
- P&I Clubs: Examining Risk in the Salvage Industry
- Salvage & Environment: Benefits & Risks
