

BIOBASED COATINGS EUROPE 2022

8th & 9th June 2022 / Amsterdam, The Netherlands

Successful Developments with Biobased Materials for the Coatings Industry

KEY TOPICS

- European Market Outlook
- Insight into Biobased Coatings for Packaging
- Addressing Price vs Performance
- Policies & Regulations in the Industry
- Protective & Functional Coatings using a Biobased Resin
- Successful Marketing Strategies
- Ensuring Maximum Sustainability
- Life Cycle Analysis and End of Life for Biobased Coatings
- Who is Willing to Pay for Biobased Coatings
- Raw Materials: Keeping Up With Demand

Hauschild SpeedMixer®

Sponsorship & Exhibition Opportunities: Krisztina Szabo +44 20 3141 0603 / kszabo@acieu.net

ACI's Biobased Coatings Conference 2022 will bring together senior executives and experts from the coatings value chain, policy makers, consultants, technology innovators and leading market analysts to discuss the latest challenges and developments within the industry. The European Union has set a target of 30 percent of existing petrochemical-derived chemicals and materials being replaced by bio-based and biodegradable alternatives by 2030. The two day event will give you an insight to the industry's latest technological advancements, policy evaluations and drivers. While focusing largely on developments within the coatings industry in Europe, will also concentrate on updates and future forecasts on supply and demand of the key world markets. By highlighting the sector's current major challenges and opportunities the conference will provide a holistic outlook on market trends and drivers.

The conference will also have insights from end-use markets giving updates on market growth drivers along with sustainable advancements in technologies and R&D projects.

Who will you meet at this event?

Chemical companies/Paint Manufactures/Suppliers
Distributors of biobased products/Manufacturers of biobased products/Original Equipment Manufacturers/Regulatory and Policy Officers/Solution Providers/R&D Scientists/Global Business/Commercial Directors/Technology Providers/Technical Managers/Agricultural cooperatives & raw material traders/Agro-industrials/Equipment suppliers for the chemical industry/Engineering, Consulting & Investment companies.

Why you should join us in Amsterdam?

- Hear from high profile speakers sharing their knowledge & expertise
- Network with the industry leaders from European companies
- Discover where to focus your development efforts

Agenda Committee

For Biobased Coatings Europe 2022 we've gathered some key industry players to help us build and update the conference agenda.

- Irene Tournee, Technical Marketing Adhesives Polyurethane and Acrylate Dispersions, **Alberdingk Boley**
- Olivier Choulet, CEO, **Ecoat**
- Philippe Willems, Co-founder and director, **Orineo**
- Roel Vleeschouwers, Business Development Manager, **VITO**

Commercial & Sponsorship Opportunities:

Gain direct access to our senior level audience and gain an increased level of visibility through branding and networking. For detailed information on sponsorship and commercial opportunities, please contact **Krisztina Szabo**:

+44 20 3141 0603
Kszabo@acieu.net
<http://www.acieu.net>

Registration is Simple:

If you would like to register for this event or wish to find out more information, you can contact **Dimitri Pavlyk** using any of the following methods:

+44 20 3141 0610
dpavlyk@acieu.net
<http://www.acieu.net>

DAY 1

Wednesday 8th June 2022

08:00 **REGISTRATION & COFFEE**

09:00 **CHAIR'S OPENING REMARKS**

Myriam Vanneste
R&D Manager
Centexbel

09:15 **SESSION ONE**
An Insight into Biobased Coatings for Packaging

- Current assesment of packaging applications
- Examples of sustainable materials used for biobased packaging

David Fastl
Sales & Marketing Manager
Benelux
Schütz Benelux B.V.

Ferdinand Somorowsky
Head of Chemical Coating
Technology
Fraunhofer ISC

Irene Tournée
Technical Marketing Adhesives
Alberdink Boley GmbH

11:05 **MORNING REFRESHMENTS**

11:35 **SESSION TWO**
Addressing Price vs Performance

- Ensuring performance is better or at least equal to the non-biobased alternative
- Balancing the cost and performance of biobased coatings

Olivier Choulet
President
Ecoat S.A.S.

Joost Broeders
Technical Director
Baril Coatings

12:50 **CONFERENCE PRESENTATION**
Engineering Cellulose to Make a Wonder Material for Biobased Coatings

Gabriel Ferrante
Technical Sales Manager
Sappi Europe

13:20 **LUNCH**

14:20 **SESSION THREE**
Exploring Protective and Functional Coatings Using a Biobased Resin

- The importance of project specific engagement activities
- Engagement & communication are not an obstacle to overcome to get the project off the ground: they are an integral part of the project from start to finish

René Saint-Loup
Manager of Performance
Materials Technical Teams
Roquette

Philippe Willems
Founder & Director
Orineo

Mojgan Nejad
Assistant Professor
Michigan State University

16:10 **AFTERNOON REFRESHMENTS**

16:40 **CONFERENCE PRESENTATION**
Presentation Title To Be Confirmed

Christian P. Lenges
Venture Director
IFF

17:10 **CONFERENCE PRESENTATION**
THE FUTURE OF SUSTAINABILITY IN THE COATINGS INDUSTRY

Christopher Miller **ARKEMA**
Senior global director coating resins
Arkema

- How is sustainability defined and how is success in this arena measured?
- What are the current problems that need solving and where are the opportunities for profitable growth and scientific progress?
- Examining what sustainability means to our industry
- Tools being developed to track progress
- Innovation challenges we face as we look to the future

17:40 **CONFERENCE PRESENTATION**
Paint Recycling, A Sustainable Circular Reuse

Huzaiifa Matawala
Paint Recyclist
Regent Paints Inc.

18:25 **CLOSE OF DAY ONE**

18:30 **DRINKS RECEPTION SPONSORED BY CRODA**

DAY 2

Thursday 9th June 2022

08:30 **REGISTRATION & COFFEE**

09:00 **CHAIRMAN'S OPENING REMARKS**

Myriam Vanneste
R&D Manager
Centexbel

09:05 **SESSION FIVE**
Best Practices to Ensure Maximum Sustainability & Performance for Biobased Coatings

- Development of biobased coatings going into the right direction to positively contribute to our planet
- Importance of knowledge of the impact specific production processes have on the co2 footprint
- The ability of biobased alternatives to capitalise on sustainability arguments and lower the impact on human health and the environment

Roger Blokland
Founder & CEO
Relement

Biobased Raw Materials in the Coatings Value Chain VINNECO® Polymer Binders

- Tomorrow's Solutions for a Sustainable Society: how WACKER contributes to the United Nations' Sustainable Development Goals
- Understanding the dynamics of raw materials, feedstock trends and building blocks for WACKER's key products
- Creating sustainability along the value chain: how WACKER uses biobased raw materials for manufacturing dispersions and dispersible polymer powders
- A mid- and long-term view towards a decarbonized and more sustainable chemical industry

Dr. Christophe Cheikh
Senior Technical Service Manager
Wacker Chemie AG

Roel Vleeschouwers
Business Development Manager
VITO

10:55 **MORNING REFRESHMENTS**

11:25 **CONFERENCE PRESENTATION**
New Water Based Solutions to Support Sustainability Targets of the Packaging Industry

- Lawter offering new water based solutions to support sustainability targets of the packaging industry
- Our rosin resin dispersion is an alternative to acrylics that offers similar print performance
- Partial or full acrylic replacement result in increased bio-renewable content for liquid-ink and coating formulations.

LAWTER
Hironori Matsushima
R&D Manager, Ink and Coating Resins EMEA
Lawter

11:55 **CONFERENCE PRESENTATION**
Sustainable Bio-based Energy-curable Polyetherane in the Spotlight'

allnex
Dr. Michel Tielemans
Associate Research Fellow
Allnex

12:25 **CONFERENCE PRESENTATION**
Sustainable Bio-based Energy-curable Polyurethane in the Spotlight'

Luc Sterckx
TS- BD Architectural EMEA
Allnex

12:55 **CONFERENCE PRESENTATION**
Biobased Additives and Intermediates for Synthesis and Formulation of more Sustainable Paints & Coatings

- View on European & global regulation and developments towards carbon pricing
- Industry solutions to reduce scope 3 emissions: mass balance vs. segregated products
- Clariant's view and solutions of biobased raw materials for the coatings industry

Dr Sebastian Prock **CLARIANT**
Global Marketing Segment
Leader Industrial Applications
Clariant

13:25 **LUNCH**

14:25 **CONFERENCE PRESENTATION**
Bio-based Polyurethane Coatings and Case Studies

- Overview of business activities of Covestro on the manufacture of high-tech polymers and circular economy strategy
- Recent progresses on development and studies of bio-based chemicals as sustainable building blocks for polyurethane coatings will be shown
- Focus will be set on how to achieve new and unexpected technical properties using bio-based materials
- Case studies conducted in collaboration with customers of new bio-based products

Dr. Irene Cristina Latorre
Martinez
ISO Global R&D Isocyanates
Covestro

15:10 **SESSION SIX**
Raw Materials: Keeping Up With Demand

- Working together with suppliers to ensure scalability
- Exploring the 'bridging' qualities of the drop in approach
- Development of new raw materials with superior functionality
- Coat analysis: Bridging the gap between bio-based and oil-based coatings

Dr. Jacco van Haveren
Programme Manager Biobased
Chemicals and Fuels
**Wageningen Food & Biobased
Research**

Biobased Coatings - An Opportunity for a Sustainable Organization

- Overview of the COOCK biocoat project
- Overview of different building blocks and starting formulation
- Focus on practical aspects of biobased coatings and business cases

Joey Bosmans
Coating Engineer
Sirris Smart Coating Lab

16:25 **CHAIRMAN'S CLOSING REMARKS**

Myriam Vanneste
R&D Manager
Centexbel

16:35 **END OF CONFERENCE & AFTERNOON REFRESHMENTS**

More Info & Registration:

If you would like to register for this event or wish to find out more information, you can contact Dimitri Pavlyk using any of the following methods:

 +44 (0) 203 141 0610

 dpavlyk@acieu.net

 <http://www.acius.net>

 **Postal Address:**
ACI Europe, 10 Gough Square, London, EC4A 3DE

Registration is Simple:

Conference (Includes Documentation Pack) 8th & 9th June 2022	£1,695.00
Documentation Pack Only	£470.00

Please Note.

Members and customers of all supporting organisations are entitled to a discount off their conference package.

For more information please call +44 (0)203 141 0610

Documentation Packet Available:

You can purchase Biobased Coatings Europe 2022 papers at just £440 (+£30 P&P). Simply tick the box on the booking form, send it with payment and your copy will be on its way to you after the meeting. This important manual will be a source of invaluable reference for the future.

About ACI:

ACI, a UK owned company, has been running successful conferences in the USA since 1999. Headquartered in Chicago, ACI opened its European head office in London at the end of 2005 and has expanded rapidly, launching a series of events in key industries including maritime, energy, chemicals, cosmetics & pharma and opening offices in Poznan (Poland) & Pune (India).

With Thanks to Our Partners:

Terms & Conditions:

Payment

Payment must be received within five business days of returning the signed contract. After receiving payment a VAT receipt will be issued. If you do not receive a letter outlining details two weeks prior to the event, please contact the Conference Coordinator at ACI Europe Ltd.

Discounts are available for multiple/group bookings. Please call +44 (0) 203 141 0610 for more information.

Cancellations

Substitutions are welcome up to 24 hours prior to the event. Cancellations must be received in writing no less than 3 weeks prior to the start of the conference; a full credit voucher towards a future ACI conference will be issued. Any cancellation received less than 3 weeks prior to the start of the event shall be deemed to be a breach of this contract by client, and accordingly, no credits will be given. Cancellations must be received in writing by mail or fax three weeks before the conference. Thereafter the full conference fee is payable. If for any reason ACI Europe Ltd decides to amend, cancel or postpone this conference, the conference fee will not be refunded. Furthermore, ACI Europe Ltd will not be responsible for covering airfare, hotel or other costs incurred by registrants. In the event that ACI Europe Ltd cancel or postpone the event, ACI Europe Ltd reserves the right to transfer this booking to another conference to be held in the following twelve months, or to provide a credit of an equivalent amount to another conference within the following twelve months. The construction, validity and performance of this agreement shall be governed in all respects by the laws of England to the exclusive jurisdiction of whose courts the Parties hereby agree to submit.

Accommodation

The cost of accommodation is not included in the event fee. Preferential rates will be arranged with or near the event venue, and all confirmed delegates will be given details of how to book accommodation at this rate in due course.
